Railroad Bridges Will Be Completed In Another Week.

A LARGE FORCE AT WORK.

Great Improvement That Will Cause General Satisfaction.

Superintendent of Construction Gaskins, who is building the two iron bridges for the L. & N. railroad, on Eighteenth and Walnut streets expects to have the Eighteenth street bridge open for traffic by the last of next week. The Walnut street bridge will be finished a few days later. The structure is now being put in place, while the finishing touches are being given the first named.

The approaches have six per cent grades and will be macadamized and provided with concrete sidewalks.

At Seventeenth street the track has been lowered to a six per cent grade crossing. This necessitates the building of retaining walls for a short distance in front of the property of Wm. Gish, col. and others at that point. All of this work will be done at the expense of the railroad.

BIRTHDAY REUNION.

Descendants of Mr. E. B. Lyle Have Family Gathering.

Mr. E. B. Lyle celebrated his 75th birthday anniversary July 30, at his home south of town, with a family reunion, which was attended by about 30 of his descendants. Mr. Lyle was born July 30, 1836, and was married to Miss Nancy M. Powell Feb. 12, 1861. To them were born 12 children of whom nine still live.

Mr. Lyle prides himself on the fact that none of his sons are addicted to bad habits, but are all honest, industrious and moral citizens. Not all, but several of the children met with their aged father, bringing with them a bountiful dinner, which was spread under the shade trees and enjoyed by the happy gathering.

Mr. Lyle has a wide circle of friends who wish for him many more years of happiness and usefulness.

CHRISTIAN LADY

Passes Away At Age of Eighty-four.

Mrs. Priscilla Cayce, widow of the late Frank Cayce, died Wednesday at the home of her son, Mr. I. J. Cayce, a few miles south of the city, at the advanced age of 84 years. She had been in declining health for some time. Besides her son, with whom she had made her home for some years, she is survived by one daughter, Mrs. Alice C. Hill, of this city.

The deceased was a consecrated christian woman, loved and esteemed by a host of friends. She had been a member of Liberty church for many years.

Her funeral services were held by Rev. H. D. Smith Thursday afternoon and the interment took place in Riverside cemetery.

Well Known Here.

Lex Hale, a brother of Mrs. Gus K. Stevens, of this city, and well known here, died at Los Angeles, Cal., this week after an operation for appendicitis. He was 25 years old. The burial will take place at Mayfield.

ENTHUSIASTIC GATHERING

At Which The "Davis Way Association" Was Put on Foot.

FIVE COUNTIES INTERESTED.

Christian Was Represented By Public Spirited Officials.

A meeting was held at Elkton yesterday, at the instance of Rush C. Watkins, to construct a modern road from this city to Bowling Green. Three of the five counties traversed were represented. There were present:

County Judge Walter Knight, County Attorney Jno. C. Duffy, Magistrates Jno. M. Morris, B. F. Fuller, W. R. Elliott and C. L. Dade from Christian.

County Judge Geo. Edwards, the County Attorney and some of the Magistrates from Russellville, also Henry L. Trimble, Jesse M. Bibb and other prominent citizens. Todd county was largely represented.

An association was formed called the "Davis Highway Association," the highway to be constructed from Bowling Green to Hopkinsville, a distance of 65 miles. Eleven miles is in Christian, 16 in Todd, 20 in Logan, one mile in Simpson and the rest in Warren.

All but 4 miles in Warren has been built and one mile of that is under contract. All of the Christian county end has been built and only needs repairs. About two miles in Todd has been built and all but about 4 or 5 miles in Logan. The one mile in Simpson needs to be built. More than two-thirds of the line is already macadamized.

J. C. Penick, of Elkton, was elected President and County Attorney Davis Secretary of the Association.

An executive committee was formed consisting of two members from each county who are to take the matter up in the five fiscal courts immediately. Judge Edwards will call the Logan Court to meet next Monday.

A good crowd attended the meeting besides the official representatives.

Enthusiastic speeches were made by Rush C. Watkins, Walter Knight, John C. Duffy, J. R. Mallory, Geo. B. Edwards, S. Walton Forgy, H. L. Trimble, and others.

E. B. Lindsay was appointed a committee to sell buttons for the Davis Way. R. C. Watkins agreed to take the first button at \$25.

The meeting adjourned to meet at Russellville Saturday August 12, when the counties are all expected to be represented.

The people are especially aroused in Todd county, which is thoroughly alive to the importance of constructing good roads.

In Logan the people are offering to subscribe a dollar for every dollar the fiscal court spends for good roads.

Cleavenger, in this city. The bride is a most attractive young lady. Dr. Taylor is rising rapidly in his profession and has a large practice in the northwestern part of the county. He has many friends who will congratulate him on his good fortune in winning so charming a bride. The young couple will board with Mrs. J. T. Cleavenger.

Gets Life Sentence.

Dr. Louis C. Chisholm, a graduate of the medical department of the University of Tennessee, has been taken to the California state penitentiary at San Quentin to begin serving a life sentence for the murder of Van K. Drouillard, whose dead body was found on the ocean beach near Fort Ross, March 10, 1911. Drouillard was murdered to secure a \$2000 life insurance. Chisholm had taken out as Jno. D. Powell, using a description of the victim, being the examining physician himself. He had served a short term in federal prison for counterfeiting before he left Tennessee 9 years ago.

Former Senator Dead.

New York, August 4.—Former United States Senator Edward Murphy of Troy, N. Y., died at his summer home at Elberon, N. J., early yesterday as the result of an operation which he underwent two weeks ago for an enlarged abdominal gland. Mr. Murphy was 76 years old. Following the operation Mr. Murphy rallied and for a while it was believed that recovery would result, but Tuesday there was a relapse.

The Georgia legislature has be-
come very restive under the failure
of Gov. Smith to qualify as Senator
and two resolutions have been in-
troduced, one calling upon him to
resign as Governor and another de-
claring the senatorial seat vacant
since he failed to go to Washington
to help out in the tariff fight, which
was lost by a tie vote.

Mayor Hanna, of Des Moines, Iowa,
has put into effect the idea of a
municipal market and claims that
the cost of living has been lowered
40 per cent by the new scheme. The
farmers drive in with their loads of
provisions and camp in City Hall
Park, where they sell their goods far
cheaper than the retail stores of the
city. Hopkinsville has an unlicensed
produce market but it has not re-
sulted in cheaper prices. The farm-
ers retail their produce for cash at
practically the same prices the same
articles can be bought for at the
stores on monthly accounts.

Upton Sinclair, a Socialist author
who violated the Sunday laws at
Wilmington, Del., decided to take an
imprisonment of 18 hours rather
than pay a \$4 fine, and was put to
breaking rock in the city workhouse.
His offense was playing baseball and
tennis on Sunday. Nine other men
took the same punishment.

Vardaman, who is to be the new
Senator from Mississippi, is one of
the most picturesque characters who
has appeared in the South, even
surpassing Tillman, of South Car-
olina, and Davis of Arkansas, in radi-

that education ruins a negro.

Increased Fire Loss.

The fire losses in the United States
and Canada last year totaled the im-
mense sum of \$234,470,000. This
year they threaten to exceed \$300,-
000,000. The losses for the first six
months of 1911 are \$30,000,000 more
than for the same period in 1910.
Already this year's fire losses have
put more than a score of fire insur-
ance companies out of the field,
some by reinsurance, some by mer-
ger, and others by the receivership
route, and the number will be great-
ly increased unless there is a decided
change for the better.

Dumb Chills and Fever.

Douglasville, Tex.—"Five years
ago I was caught in the rain at the
wrong time," writes Miss Edna
Rutherford, of Douglasville, "and
from that time was taken with dumb
chills and fevers, and suffered more
than I can tell. I tried everything
that I thought would help, and had
four different doctors, but got no
relief, so I began to take Cardui.
Now I feel better than in many
months." Cardui does one thing,
and does it well. That's the secret
of its 50 years of success. As a tonic
there is nothing in the drug store
like it. As a remedy for women's
ills, it has no equal. Try it. Price

LIKE FAIRY TALE

Is This Story of A Boy Corn-
Raiser's Success.

New York, Aug. 2.—Jerry Moore,
15-year-old champion corn grower of
the South, arrived in New York
aboard the Clyde Line's Iroquois,
with the delegation of South Caro-
lina and Alabama advertising men,
who are on the way to Boston to at-
tend the International Advertising
Men's Convention.

Jerry's home is in Florence, S. C.,
and three years ago, when a move-
ment was started to stimulate in-
terest in agriculture and scientific
farming, he planted and cultivated
an acre of his father's favorite corn.
Other boys did the same thing, and
some months ago the County Super-
intendent of Education offered
prizes to the boy who raised the
most corn on his plot of land. No
one had a chance with Jerry. He
won everything in sight. His acre
produced 228 bushels of corn, and
he won the prize. Some time later
a prize of \$20 was offered by the At-
lantic States' Exposition at Colum-
bia, S. C., and this also went to
Jerry. Since then he has won three
additional prizes, always beating his
nearest competitor by many bushels.
He won his county prize of \$20, won
a cultivator worth \$40, and then a
ton of fertilizer worth \$45. One
year the government paid Jerry \$4
a bushel for forty bushels of corn
that it distributed for seed. He re-
tailed the rest of his crop that year
for \$1 a bushel, and when he had
disposed of all the crop he had a to-
tal of \$443 for the produce of one
acre.

FORMER UMPIRE

In Kitty League Last Year
Kills A Man In Memphis.

Memphis, Tenn., Aug. 1.—A. M.
Keisker shot Wm. Schumme to save
his own life, according to the testi-
mony given at the Coroner's inquest
by the only eye witness to the shoot-
ing. Hallie Pool, a negro servant,
said that she gave Keisker the re-
volver and told him that Schumme
would kill him. Then she says
Schumme advanced upon Keisker
from the floor above with a long
butcher knife in his hand, and
Keisker shot only after ordering him
to halt.

There has been a steady stream of
friends to see Keisker at the city
jail, where he is held pending a pre-
liminary hearing. He is not locked
up, and is allowed the privilege of
the jail corridor. Keisker has a host
of friends here.

According to the facts brought
out at the Coroner's hearing Keisker
was a roomer at the boarding-house
conducted by Ida Eaglebar at 612
Poplar avenue. As he was prepar-
ing to leave the house Sunday even-
ing he heard cries of murder. Run-
ning down the back stairs, he was
attacked by Schumme, knocked
down and kicked. Then the woman,
who had been attacked by Schumme,
ran up stairs, followed by him. The
maid swore that she then took a re-
volver from a dresser drawer and
gave it to Keisker, and that when
Schumme returned, with the de-
clared intention of "getting him,"
he fired.

A. Millard Keisker is a son of Mr.
W. E. Keisker, of Louisville. He is
a graduate of the Manual Training
High School and also took a course
at the Kentucky Military Institute.
He was employed for a time on local
newspapers, but went to Memphis
to reside some time ago and is now
sporting editor of a Memphis news-
paper.

Keisker played with the football
team of the K. M. I. and last year
was official scorer of the Saturday
Afternoon League.
Schumme lived in Louisville until

Dr. Wiley's Goat.

Dr. Harvey W. Wiley, storm pet-
rel between food dopers and the Taft
administration, has been a militant
government chemist for 28 years.

Packers of embalmed beef are ar-
rayed against him because of his fight
against the use of benzoate of soda.
Benzonate increases the profits of em-
balmed beef packers because it will
"restore" and preserve meats that
have become putrescent. The cost
of manufacture of bologna and sau-
sage may be materially reduced by
using water and cereals. Water
costs nothing and cereal is cheaper
than meat. The result is a cheapen-
ing of the product and a lowering
of the value. But when water and
cereal is used the meat begins to sour.
It is to prevent this souring process
that the benzoate of soda may be
used. Chemists declared benzoate is
of no earthly use to the manufacturer
who puts pure food upon the mark-
et. Dr. Wiley also fought the bleach-
ened flour interests to the last ditch.
He exposed the injurious colorings
used in candies sold to children. He
stubbornly opposed the use of sulphur
as a fruit preservative. He secured
the removal of the tax on denatured
alcohol. He exposes frauds without
number in patent medicines. It was
Wiley who started the war on the
use of narcotics and other poisons in
soda fountain drinks. And he stub-
bornly fought the whisky trust until
he was at last overruled by President
Taft. These facts tell better than a
long article could why it is up to the
food dopers to get Wiley's goat. Also
why it is up to the people to see that
they don't get it!—Glasgow Times.

Who Was There That You Knew?

IN the shadowy ranks of those who marched to defeat or death or victory fifty
years ago in the mighty conflict that convulsed this great nation, is there
father or grandfather or uncle of yours? Would you like to see a photograph
of him in that long ago day of his youth—a photograph that he never knew was
taken? Perhaps we can show you one; and in any case, we can tell you a
story, stranger than any detective fiction, of 3,500 priceless photographs that
were lost and are found again.

3,500 Long Buried Photographs
of the Civil War

THEY were taken by the greatest photographer in the
United States of that day; they were bought by the
United States Government for \$30,000; they were buried
in the War Department for 50 years—they are buried there
still. But a duplicate set was kept by the photographer—who
died poor and broken down; that duplicate set was knocked
from pillar to post for nearly 50 years, until it was bought
by a New England collector, J. Pierpont Morgan, and
Benjamin F. Butler said it was worth \$150,000—yet with
the help of the Review of Reviews, the entire collection
has been gathered into 10 great volumes and is placed within
your reach at less than the value of one of the photographs.
It is the one accurate, impartial history of the Civil War—
for the camera cannot lie. It tells the story of the War you
never heard before. Taken under protection of the Secret
Service, these photographs bring to light thousands of little-
known phases of the war; they penetrate to strange places and
record strange things.

CURRENT COMMENT

CREAM OF NEWS COMPILED AND COLLECTED FROM ALL SOURCES

The Illinois sleeping beauty who wakes up every 105 days should steer clear of Hopkinsville, unless she wants to be kept awake by the bustle of a busy city. That thing may go in Vandalia or even in some of our neighboring cities, but Miss Schmidt should stay away from Hopkinsville.

Editor Henry R. Lawrence has declined a numerous signed call to become a candidate for representative in Trigg county.

Trigg's Good Showing

The school per capita is \$4.59 in Graves and \$4.58 in Trigg, which are two of the highest counties.

Dangerous Plaything.

Paducah, Ky., Aug. 4.—With his grandfather's razor, Robert Browder, three years old, attempted to shave his baby brother, Mingsu Browder, one year old. The young barber cut a gash several inches long on his baby brother's face and barely missed severing an artery.

Nashville Man Gets One.

Captain William H. Parrish of the Third Tennessee Infantry filed his suit for an absolute divorce from his wife, Nancy C. Parrish, at Reno, Nev., Aug. 3, and was granted a decree by Judge Moran, upon his allegations of desertion.

Editor Dead.

Louisville, Ky., August 4.—Telegrams received here yesterday announced the death at Greenwich, Conn., of Leslie Combs Bruce, editor of Turf, Field and Farm, and a former resident of this city. The body will be brought here for burial. Mr. Bruce was 62 years old and a scion of several distinguished Southern families.

Simon Skiddos.

The revolutionists have won in Haiti. President Simon has fled the capital and taken refuge on a cruiser. While he was embarking at the wharf at Port au Prince there was a riot in which Deputy Prin, Simon's chamberlain, and five other persons were killed and Clementine, the President's daughter, and six other persons, were wounded.

Goats To Clear A Florida Key.

H. H. Moloche has placed 100 goats on Pine Key. They were purchased near Tampa and taken to their new home on the yacht Guinere. On the key there is a very heavy growth of grass and other vegetable matter, and it is to get rid of this that the goats were purchased.

Mr. Moloche stated that there were many mosquitoes in the thick undergrowth, but believed the goats will clear away this undergrowth and that the number of mosquitoes will be diminished.—St. Petersburg, Fla., Independent.

McCreary Money Ready.

The money is ready for takers who don't believe that James B. McCreary, the Democratic nominee, will be the next Governor of Kentucky, and they also have a chance to wager on the size of the majority. The Times knows a man who wants to bet \$1,525 on the result. He offers \$500 straight that McCreary will win, \$250 that McCreary's majority will be 5,000, \$125 that his majority will be 10,000 and \$100 on each thousand of McCreary's majority up to 17,000.—Louisville Times.

Women's Fatal Fight.

Marcus, Ky., Aug. 2.—A duel between two women which will result fatally for one of them was fought here because one of the participants in the affray accused the other of picking chickens while the fowls were alive. The dying woman, Mrs. Bettie Fornash, who made the accusation, sustained many gashes from a corn knife wielded by Miss Mattie Morrison. The two women are neighbors and have been enemies for some time.

Texas Woman Near Death.

Wills Point, Tex.—In a letter from Wills Point, Mrs. Victoria Stallings says: "I was afflicted with womanly troubles, had a dreadful cough, and suffered awful pains. I certainly would have died, if I had not been relieved by taking Cardui. Now I am stronger, and in better health than I ever was in my life. I can't say half enough for this great medicine." Do you need relief? Try Cardui for your womanly troubles. Its long record of successful use is your guarantee. Thousands of ladies have been helped to health and happiness by Cardui. It will surely help you. Try a bottle today.

Col. Samuel McElfattrick, of Princeton, Ky., died a few days ago. He was a native of Pennsylvania, a civil engineer of note when in active life, and had resided in Princeton since 1868, when he surveyed the route for the Elizabethtown and Paducah railroad, now a part of the I. C. system. Col. McElfattrick had reached the ripe age of 90 years.—Paducah Sun.

OTTUMWA WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms: shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to you for my cure."—Mrs. HARRIET E. WAMPLER, 524 S. Ransom Street, Ottumwa, Iowa.

Consider This Advice. No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential, and always helpful.

Thirty-Seven Years Ago.

Hon. James B. McCreary was elected governor of Kentucky 37 years ago, the first Monday in August beating his opponent, Judge John M. Harlan, 90,000 votes. In this election Marshall county was the banner Democratic county in the State and received a nice banner, as a reward for her loyalty to Democracy. Let us keep this fresh in our minds and roll up an unprecedented majority for the Democratic ticket in old Marshall this fall.—Benton Tribune.

A Convict Mother.

Sault Ste Marie, Mich., Aug. 4.—A daughter was born Wednesday at the general hospital in Sault Ste Marie, Ont., to Mrs. Angeline Neopolitana, the convicted slayer of her husband, who was sentenced to hang on Wednesday next, but whose sentence was commuted to life imprisonment. The infant will be placed in care of the Children's Aid Society.

VARDAMAN WALKS AWAY

With Senatorial Nomination Over Two Opponents.

MISSISSIPPI'S NEW SENATOR.

Earl Brewer Will Be The Next Governor By Unanimous Vote.

Jackson, Miss., Aug. 4.—That former Gov. Jas. K. Vardaman has been chosen as the candidate for United States Senator—equivalent to election—is conceded by both of his opponents in Tuesday's primary, United States Senator LeRoy Percy and C. H. Alexander.

In the race for lieutenant governor, the returns indicate that State Senator Bilbo has polled equally as large a vote as Mr. Vardaman and his nomination without the necessity of the second primary is regarded as assured. T. O. Yewell and Wiley N. Nash were his opponents.

At Vardaman's headquarters it is estimated that he will have in excess of 20,000 votes over the combined vote of his two opponents. Mr. Bilbo makes claim to an even greater majority. The returns received give Alexander a slight lead over Senator Percy.

Earle Brewer was unopposed for the gubernatorial nomination.

PELLAGRA

Has Again Attacked The Inmates of Two Asylums.

Much alarm is felt over the recurrence of pellagra, a new and little understood malady, in two of the asylums. Supt. R. L. Willis, of the Eastern Kentucky Asylum for the Insane, has ordered the use of all corn products food discontinued pending investigation of seventeen cases of pellagra disclosed there. Supt. Willis says that several other patients show symptoms of the disease. Supt. Sights states that seven fully developed cases are under inspection at the Western Kentucky asylum for the insane. Only one is a negro and five of the patients are

females. In order to prevent the disease from spreading among the 1,400 inmates of the Hopkinsville institution, the cases have been isolated in the tubercular ward. The state board of control will hold a special meeting Aug. 9 at the Eastern Kentucky asylum to consider the situation.

Pellagra is a scaly affection of the skin, with severe constitutional symptoms, which is endemic in Northern Italy, but has only appeared in this country in recent years. It attacks the parts exposed to the air and sun one of the supposed causes is eating impure corn products.

The first case of pellagra reported in Kentucky was that of a female patient at the Hopkinsville asylum several years ago. She was the wife of a Muhlenberg county miner and died after an illness of several months.

Three of the present cases developed two months ago.

It is noticeable that in the wards at Lexington where corn syrup and other corn products have been more generally used, the largest number of cases have developed.

Work on Lincoln Road.

Louisville, Ky., August 4.—The workers along the Central Lincoln Road, which is being built from Louisville to the Tennessee line in one week's time, have not slackened in their zeal.

Barren County and Allen, which complete the road to the Tennessee line, are two of the most enthusiastic in the work for the road. Barren County raised \$20,000 and secured the services of 600 men and teams. Beside this Mayor Dickinson of Glasgow will proclaim a closing day for all business houses to suppend operations that every man and boy in the city may put in a day's work on the road.

The Barren County men say a week is not their limit, and that they will continue on the road until it is perfect.

SEASHORE TRIP.

Many Arrangement to Visit Old Point Comfort.

From present indications a large party will leave here next Friday, Aug. 11, for Old Point Comfort. This is one of the most delightful outings of the season, as the thousands who have taken the trip in former years will testify to, and every one who can do so should take advantage of it and spend a couple of weeks on the seashore or in the mountains of Virginia. Tickets will have the long limit of fifteen days and the round trip railroad fare will be only \$18.15 from Hopkinsville.

Children over five and under 12, half fare. Numbers of Pullman reservations have already been made for the Hopkinsville party, and many will make the trip in the excellent day coaches on the Chesapeake and Ohio road, over which the run is made from Louisville. Stop over privilege will be allowed east of Hinton, W. Va., which territory embraces the many springs and pleasure resorts on both the blue Ridge and Alleghany mountains. Tickets can be secured here either Thursday afternoon Aug 10, or on the morning of Aug. 11, the date of the departure of the crowd. Those desiring further information should consult their local road agent or T. E. Bartley, business manager of the Kentuckian, Hopkinsville.

GOV. WILLSON AT ASYLUM

Arrives Unexpectedly Yesterday and Was Met By Dr. Sights.

WAS TRAVELING ALONE.

Visit Was Merely to Attend a Meeting of Board of Control.

Gov. Augustus E. Willson was in the city yesterday, arriving unexpectedly and accompanied by no one. He was met at the depot by Dr. H. P. Sights and driven to the asylum, where the Board of Control was in session.

The Governor merely timed his visit to the asylum so as to meet with the Board, which has under consideration the appearance of Pellagra at two of the institutions. He left for Louisville last night.

The only way out of it is to set the chicken in a ring and wear it.—Brandenburg messenger.

Too Prone To Wed.

San Francisco, Aug. 4.—The Southern Pacific Railway, beginning this month, is putting into effect a rule that hereafter no women are to be employed as clerks or stenographers in the company's passenger department.

MOGULS OFF TO VINCENNES

After Winning Two Out Of
Three From Harris-
burg.

CAIRO PLAYING STRONG.

Fulton Drops Another Game,
This Time To Vin-
cennes.

HOW THEY STAND.			
	W	L	Pct
Fulton	13	3	842
Cairo	11	4	733
Hopkinsville	10	4	714
Clarksville	7	8	467
Henderson	6	7	462
Vincennes	5	10	333
Paducah	4	11	267
Harrisburg	4	10	286

Hopkinsville got out of the Harrisburg series with two won and one lost. There was no game Wednesday, on account of rain and two games were played Thursday.

A dogfall resulted in the double-header, Harrisburg winning the first and Hopkinsville the second game. Hopkinsville protested the first game, claiming that Harrisburg was violating the by-laws by carrying fourteen players. Gossage let the locals down with three scattered hits in the first bout and scored a shut-out. He started the second game, but was soon knocked out, Harrisburg using three other pitchers in a fruitless effort to stop the slugging. Yon, who twirled the second game for the locals pitched one of the best games he has twirled this season, allowing but one hit. The scores:

First game:	R.	H.	E.
Harrisburg	2	10	0
Hopkinsville	0	3	0

Batteries—Gossage and Fish; Johnson and Kuhn.

Second game:	R.	H.	E.
Harrisburg	1	1	4
Hopkinsville	9	12	2

Batteries—Gossage, Godfrey, Weaver, Calbert and Fish; Yon and Huhn.

Closing the series with a percentage of .714, the Moguls left yesterday for three games at Vincennes and will be on the road until next Friday, when they return to play Clarksville. Fulton maintains a firm hold on first place, but lost one game to Vincennes. Cairo has moved up to second place again.

Thursday's Games.

Harrisburg 2-1; Hopkinsville 0-9.
Cairo 8; Paducah 0.
Henderson 3-3; Clarksville 2-4.
Vincennes 4; Fulton 3.

Wednesday's Games.

Fulton 4 4; Vincennes 1-0.
Cairo 8; Paducah 2.
No other games.

Bunts And Flies.

Piepho, one of last year's umpires, is playing ball in Louisville, as second baseman for the Reccius club.

"Crazy Snake" Calbert was guilty of a very unusual offense during the dispute Thursday, in the first game over Nairn's ball down the third base line, upon which Huhn scored. The ball hit six inches fair and the umpire was going to inspect the place where it hit when Calbert ran to the place and kicked the mark out in full view of the grandstand. Weber, who had called the ball foul, refused to change his decision and the Moguls lost a score and a two-bagger they had fairly earned. This decision lost the game and the Moguls formally protested on the ground that 14 men were used, placing it upon an illegal basis to say nothing of the umpire's mistake. The ball called foul was clearly fair. The Harrisburg catcher and third baseman both admitted its fairness.

Vincennes has signed Dave Anderson, manager for Paducah at the close of last season.

Umpire A. G. Weber was accompanied here by his wife. He went with the locals to Vincennes.

It is said would look well in a M. uniform.

Historic Treaty Sent To The
Senate By President
Taft.

Washington, Aug. 4.—President Taft will send to the senate the general arbitration treaties between the United States and Great Britain and the United States and France, signed for this government and for Great Britain here today and signed in Paris for the government of France.

The brief messages of transmittal to the senate were written and signed by the President and tomorrow it will lie with the United States senate to ratify what has been called the greatest step toward the abolition of warfare that the world thus far has taken. Already there have been mutterings from the senate over these treaties. President Taft is noncommittal, but was anxious to put them before that body before the adjournment of the special session.

The ceremony of signing the treaties took place in the President's library in the White House, only less historic than the east room. Numerous treaties, including that between Spain and the United States, have been signed in that room, and many important state documents were written there.

Election of Trustees.

Man Who Sold "Exclusive Sale Rights" Throughout Kentucky Arrested.

Chicago, Aug. 4.—Wm. H. Prince, who the police say is wanted in Shreveport, La., on the charge of obtaining \$30,000 or \$40,000 by false pretenses, was arrested here last night. Prince is an official of the Mutual Advertising & Manufacturing Company, and is said to have effected swindles by means of selling unfair "exclusive sale rights" throughout Kentucky.
